BENEFITS OF A CLUBHOUSE

POSITIVE OUTCOMES

LONGER EMPLOYMENT

Clubhouse involvement and Transitional Employment support healthy work experiences and increase member job tenure.

SIGNIFICANT DECREASE

in hospitalizations of adults with mental illness that attend a Clubhouse frequently.

IMPROVED WELL-BEING

members report creating more meaningful connections and supportive friendships while attending a Clubhouse than individuals receiving psychiatric services without Clubhouse involvement.

ONGOING SOCIAL SUPPORTS

within a service system like a Clubhouse provides connectedness for members which results in better mental and physical health.
